

Hemispheric Outlook

INITIATIVES PERSPECTIVE

The keys to inclusive entrepreneurship in a post-Covid world

This is the “theme” for each issue (the focal point for the issue) with an extensive article (up to 2 pages) written by the initiative’s champions/co-champions. *(To present the topic briefly, providing the reader with a summary or most important aspects of the issue’s central topic. In essence, in a nutshell).*

FALL 2023

THOUGHT LEADERSHIP

A Need for Inclusive Innovation

BY THE PRESIDENT OF THE UNIVERSITY OF MIAMI

In this section, one of the HUC Presidents provide a relevant article connecting or introducing the issue/theme. *(They share inspirational content, to drive change and create educational value, from a strategic point of view).*

INSTITUTIONS INSIGHTS

Models for Inclusive Innovation

BY UC CHILE

In this section, HUC member institutions will develop articles addressing the topic at local level. *(It would also include institutional initiatives that have emerged within the consortium led by certain institutions, underlining the synergies of working collaboratively in the initiatives).*

EXPERTS' VOICE

A conversation with Dr. Silvia Restrepo, Universidad de los Andes Vice Rector for Research and Creation, Jakob Eriksson Prize Winner

BY JUAN ALONSO

In this section, an interview with one of the experts of HUC is presented. *(Touches upon the latest news, analysis, and commentaries of trends, and future scenarios, about the topic. Provides in-depth insights of strategic foresight on the topic, to derive powerful lessons stimulating critical thinking).*

NEW KNOWLEDGE

Every issue features one of the HUC member library's repository. Links would be provided to no more than 10 recent research publication and creative works from one of the HUC institutions – with links to the relevant content in the institution's library managed research repository.

STUDENTS PROFILE

How to Support Inclusive Entrepreneurship in Local Economies Through the Digital Age

BY UNIVERSIDAD DE LOS ANDES COLOMBIA STUDENT

In this section, students are invited to write an article or is also a possibility to share stories. *(May include success stories of students, showcasing winning projects, student leadership initiatives, as well as their generational point of views about the topic).*
